**Please do not purchase your accessories at a different store without talking to a band director first.**

You may go elsewhere, but the employees at this store know exactly what we want you to have. Please be aware that if you purchase accessories from any other source it may be non-repairable and might not be a sound investment. If you have questions about an accessory that is NOT on this list please contact your band director to make sure that you are purchasing a quality accessory.

### **If you have an instrument/accessories already:**

Please bring them by the school so that one of the band directors can inspect them. Some instruments/accessories need a great deal of repair before they are playable, and some instruments/accessories are not suitable for beginners.

### **Private Lessons:**

- It is HIGHLY RECOMMENDED that students wishing to play Percussion enroll in lessons with our Percussion lesson teacher.
- Lessons take place on a weekly basis for a reasonable fee (similar to what it would cost if the student were renting his or her own instrument)
- The private teacher provides individualized instruction on the instrument
- Lessons should start in the summer before school begins. Please contact Ms. Campos, Mr. Simpson or Mr. Maldonado for information about lessons as soon as possible.
