Please do not purchase your instrument/accessories at a different store without talking to a band director first.

You may go elsewhere, but the employees at this store know exactly what we want you to have. Please be aware that if you purchase an instrument from any other source it may be non-repairable and might not be a sound investment. If you have questions about an instrument that is NOT on this list please contact your band director to make sure that you are purchasing a quality instrument.

If you have an instrument already:

Please bring it by the school so that one of the band directors can inspect it. Some instruments need a great deal of repair before they are playable, and some instruments are not suitable for beginners. It is strongly suggested that you still purchase the recommended mouthpiece even if you have a different brand of instrument.

Private Lessons:

- It is HIGHLY RECOMMENDED that students wishing to play the trumpet enroll in lessons with our trumpet private instructor
- Lessons take place on a weekly basis for a reasonable fee (similar to what it would cost if the student were renting his or her own instrument)
- The private lesson teacher provides individualized instruction on the instrument.
- Lessons should start in the summer before school begins. Please contact Ms. Campos, Mr. Simpson or Mr. Maldonado for information about lessons as soon as possible.
